**Amendment A**

Commissioner for Patents  
Washington, District of Columbia 20231

Sir:

In response to the Office Action mailed 3 May, 2004,  
please amend the above application as follows:

**Claims:**

1. (amended) A method for loading, unloading and storing laundry until its ready for laundering comprising:

mounting a hamper/sorter to a wall in any desired location in a building, said hamper/sorter having a mounting surface for attachment to said wall, having one or more non-stationary position and adjustable front doors when mounted in said desired location on said wall; loading and unloading a desired amount of said laundry through said non-stationary position and adjustable front doors to be stored or to be loaded into a washing machine.

2. (amended) The method of claim 1 wherein said hamper/sorter has one or more moveable non-stationary position and adjustable front doors to create variable openings for loading laundry and unloading laundry.
